SAVE POUND ANIMALS THRU  
RESCUE & EDUCATION

*Dedicated to helping all  
animals in need.*

*We hope your summer was a  
fun-filled one! Fall is in the  
air--and we are barreling  
forward to another festive  
holiday season.*

*Keep your furry family  
members in mind at the  
holidays. With many visitors  
coming & going, be sure  
they are wearing ID tags &  
that all of the information  
is current for their  
microchip. Include them  
in all of your festivities,  
but make sure they don't  
get overstimulated or  
scared. Remember--they  
are a GREAT GIFT in your  
life & they rely on YOU for  
protection.*

*Have a healthy & happy  
Thanksgiving!*

## Does It Ever End?

Rescue work can be so rewarding and joyful! That is on the good days! But seeing the worst of humankind and what they do to animals can be so dark & depressing.

This little girl was tied to the fence before we came in the morning. She may have been there FOR HOURS before we arrived. At 3 months old, she is the most innocent of innocents. Who leaves a precious life--so vulnerable to anything or anyone--out on a busy street tied to a fence!?

We have named her Lyric...like the words to a beautiful song! And she is ready to go home with YOU!

Please call 310.324.6600 for details

## DOG TRAINER NEEDED!!!

Are you a dog trainer? Can you please help us with your amazing skills? Sometimes the dogs we save need to learn manners before we can place them in their forever home. It can mean the difference between finding that perfect home...or waiting far too long at the shelter. Help us help them!

Your donations mean the world to us and help us save so many fur babies! Thank you so much for your generosity!

Here are some of the ways your donation dollars are utilized:

70.00 - Vaccines for One Dog

\$100.00 - Flea Control for 4 Dogs for a Month

\$350.00 - Neuters One Dog

\$450.00 - Spays One Dog
